## Meet Our New Mentors

### James

Hello! My name is James and I'm excited to get to know you and help you navigate the University. This year I will be starting pro school and studying chemical engineering. I'm a native Oregonian, born in Eugene. Being a low income, first generation student I never thought I would go to college, let alone study for an engineering degree! During the school term I spend a lot of time studying, but I enjoy the outdoors when I can. I like to skate during the summer and snowboard during the winter. Other hobbies include buying new Vans shoes and hats, and working on my 1990 Chevy pickup.

### Morgan

Hey there! I am Morgan, 22 and am taking my time with school. You could say my mantra is 'slow and steady wins the race'. I grew up in the Clackamas/ Oregon City area and I am majoring in Biology and BioResource Research. My heart is set on going into public health dentistry, which is where I think I can best serve my community. There are many things I enjoy but my main passion is for the outdoors and action sports. I am a vagabond at heart and hope to travel the world via planes, boats, bikes, and my own two legs. I'm really easy going and love to help where ever I can.

# Counselor Spotlight!

Hello! My name is Rylan Good, and I am one of the newest TRIO academic counselors! I will be advising some of Michelle's students while she is on maternity leave. I have spent most of my life living in Pennsylvania, and recently moved out to Oregon to attend graduate school. I'm in my second year of the College Student Services Administration program here at OSU. In my free time, I love playing ultimate frisbee, going to concerts, and constantly trying to find the best doughnut in the world.

**1. You're a new addition to the crayon box. What color would you be and why?**

Slightly Burnt **Orange**

**2. Would you rather fight one horse-sized duck, or 100 duck-sized horses?**

One horse-sized duck, obviously.

**3. What is one interesting fact about you?**

I was born in South Korea and adopted when I was 6 months old.
