## Student Spot Light!

Hello,

My name is Brandon Moses. I'm a first-generation college student coming from Salem, Oregon. This is my third year studying Sociology and Ethnic Studies. I came to Oregon State because it's close to home and it was honestly cheap.

My involvements on campus. The first-year student who volunteered on the Committee Standards Board. During my Second year, I became a Resident Assistant. That same year I joined Omega Delta Phi Fraternity Inc. I'm part of the Pacific Islander Club and Sociology Club. Now as a Third year, I'm currently a Community Relations Facilitator. I connect with residents in the residence hall and build community by 1:1 interactions and social justice workshop throughout the term.

I initially was in a TRiO program prior to college. There was a TRiO program in my middle and high school. My TRiO advisor Avelino Solomon recommend that I seek a Student Support Program.

The TRiO program has supported me with wonderful faculty/Staff. The advisors and including peer mentors have continued to guide me through a phenomenal experience here at Oregon State University.

My favorite part of being in TRiO so far was the Paintball event in the Spring of 2017. Getting students out there and building community with each other was thrilling!

I would recommend TRiO to other people!

Meet our mentor!

My name is Tina Tan, my major is Public Health with an option of Health Management and Policy with a minor in Ethnic Studies. My hometown is Portland, Oregon, some things I like to do outside of school would be baking/cooking and just explore Corvallis. Other than going to school here, I also work with TRiO as an office assistant for one of the academic counselor and aside from that I also have another job outside of school which deals with a lot of retail-related issues. So if you ever need any help or anything at all, don't be afraid to reach out and we can just talk!

## Counselor Spot Light!

Hey there! I'm Carmen and I am an academic student success counselor intern with TRiO SSS. I'm currently in the second year of my graduate program with College Student Services Administration after having completed my bachelor degree at Armstrong State University, located in Savannah Georgia. My original plan was to obtain a masters and pursue social work, but I quickly found out that it wasn't my true passion. I instead worked on the student affairs side at a boarding school in New York, where I truly fell in love with what I was doing and decided to apply to graduate programs in student affairs. In my

free time I love to read both fiction and non. I enjoy running, thrift shopping, hiking, dancing, karaoke, and even cooking, although I could still use some improvement.

If animals could talk, which would be the most rude?

I'd say a domestic cat.

In 40 years what will people be the most nostalgic for?

Privacy.

What is one interesting fact about you?

I am the baby of my family and my friend group. I have three older siblings.
